

SAMPLE OF UNDP RESOURCES AND TRAINING MATERIALS ON GENDER AND CLIMATE CHANGE

	Title & Description	URL
	<p>“<u>Ensuring Gender Equity in Climate Change Financing</u>” - This publication was launched at COP-17 in Durban. It examines the links between gender equality, climate change and achievement of the Millennium Development Goals, as well as suggests how climate financing can be structured to promote gender equality and women’s empowerment. Available in English, French, Spanish and Arabic</p>	<p>http://www.undp.org/content/undp/en/home/librarypage/womens-empowerment/gender_and_environmentenergy/ensuring_gender_equityinclimatechangeфинancing.html</p>
	<p>“<u>The Business Case for Mainstreaming Gender in REDD+</u>” – This publication was developed in collaboration with the UN-REDD Programme and was launched at COP-17 in Durban. It illustrates how integrating gender equality principles into REDD+ can result in more effective and sustainable climate and development policies and programmes. Available in English, French and Spanish</p>	<p>http://www.undp.org/content/dam/undp/library/gender/Gender%20and%20Environment/Low_Res_Bus_Case_Mainstreaming%20Gender_REDD+.pdf</p>
	<p>“<u>Women’s Green Business Initiative</u>” is a global programme that is turning climate change challenges into economic opportunities for women, by promoting women’s employment and entrepreneurship opportunities in the green economy and in emerging climate change adaptation and mitigation industries. Available in English</p>	<p>http://www.undp.org/content/undp/en/home/librarypage/environment-energy/climate_change/gender/womens-green-business-initiative/</p>
	<p>The “<u>Guidance Note on Gender Sensitive REDD+</u>” promotes gender sensitive REDD+ processes as well as countries and stakeholders in the preparation, development and implementation of gender sensitive national REDD+ strategies. Through five components, it provides the rationale for investing the time and resources, offers concrete examples of good practices and guidance, and proposes specific actions that can be taken in order to ensure that gender sensitive REDD+ outcomes are realized. Available now in English, and soon in French and Spanish</p>	<p>http://www.unredd.net/index.php?option=com_docman&task=cat_view&gid=1044&Itemid=53</p>
	<p>“<u>Regional Thematic Policy Briefs and Training Modules on Gender and Climate Change in Africa</u>”- These resources are centered around various climate change themes of relevance to Africa and include discussions on general overview issues, adaptation, agriculture and food security, equitable energy access and climate finance. The knowledge products are designed to facilitate the work of regional and national cadres of experts, practitioners, policy makers and other partners in mainstreaming gender into climate change policy and programing. Available in English</p>	<p>http://www.undp.org/content/undp/en/home/librarypage/womens-empowerment/gender_and_environmentenergy/gender_and_climatechange-africa.html</p>

	<p><u>“Regional Thematic Policy Briefs and Training Modules on Gender and Climate Change in the Asia-Pacific Region”</u> - These resources were developed for gender and climate change for practitioners and policy makers in the Asia-Pacific region. The themes are of specific relevance to the region, and include a general overview of climate change issues, adaptation, disaster risk reduction, equitable energy access, and climate finance. Available in English</p>	<p>http://www.undp.org/content/undp/en/home/librarypage/womens-empowerment/gender_and_environmentenergy/gender-and-climate-change-asia-pacific/</p>
	<p><u>“Making Progress toward a Gender-Sensitive Approach in the Green Climate Fund”</u> - In collaboration with the Global Gender and Climate Alliance Climate Finance Working Group, this Advocacy Brief was prepared in advance of the 5th Green Climate Fund (GCF) Board meeting in October 2013. It presents concrete recommendations of how to achieve a gender-sensitive approach within the Business Model Framework of the GCF. Available in English</p>	<p>http://gender-climate.org/Content/Docs/HBF-GGCA_Gender-SensitiveApproach_GCF_Paris_BoardMeeting.pdf</p>
	<p><u>“The Least Developed Countries Fund and Special Climate Change Fund, Gender and Climate Funds”</u> – This brief aims to detail the recent progress of the Global Environment Facility to mainstream gender in LDCF and SCCF programming and implementation. It also identifies next steps towards ensuring gender equality and women’s empowerment principles are further incorporated into the design and implementation of LDCF and SCCF projects. Available in English</p>	<p>http://www.undp.org/content/dam/undp/library/gender/Gender%20and%20Environment/LDCF-SCCF.pdf</p>
	<p><u>“Gender, Climate Change and Community Based Adaptation Guidebook”</u> – This publication presents a wealth of experiences and examples taken from the UNDP-GEF Community-Based Adaptation Programme which are being piloted throughout the world. The Guidebook will be useful for any community-based practitioners who wish to review successful cases of gender mainstreaming in community-based adaptation projects. Available in English</p>	<p>http://www.undp.org/content/undp/en/home/librarypage/environment-energy/climate_change/gender/gender-climate-change-and-community-based-adaptation-guidebook-.html</p>
	<p><u>“Leading Resilient Development: Grassroots Women's Priorities, Practices and Innovations”</u> – This publication was developed in collaboration with GOOTS International and Northumbria University and highlights grassroots women's innovations that build community resilience to disasters. Available in English</p>	<p>http://www.undp.org/content/dam/aplaws/publication/en/publications/womens-empowerment/leading-resilient-development---grassroots-women-priorities-practices-and-innovations/f2_GROOTS_Web.pdf</p>
